

Camping and Education Foundation Financial Assistance Request Form 2010

The Camping and Education Foundation seeks to provide access to camps Kooch-i-ching and Ogichi Daa Kwe to a broad range of campers. We encourage families requiring financial assistance to apply. Financial assistance is need-based and helps as many prospective campers as possible. All awarded financial assistance is in collaboration with the individual family, making this a shared investment. **Awards are made by the Financial Assistance Committee based on funding available compared to requests received.** In order to best serve the financial needs of all campers, we ask that you complete the Financial Information section of this form as accurately as possible. Tuition Assistance **requests will be evaluated upon receipt of the completed Financial Assistance Form and 2010 camp application.** Tuition Assistance will be reviewed December 15th, February 15th and as necessary afterwards.

All information submitted is treated confidentially by the Financial Assistance Committee and will not be used for any other purpose. Applications must be completed in full to be accepted.
